

## Facilitating a Problem-Solving Approach for Families

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Team Members: \_\_\_\_\_

**1. Defining the problem with data- What is the concern/problem?**

**2. Generating ideas - What things can I (we) do?**

3. **Evaluating ideas and choosing solutions - Which one(s) is the best? Is there an alternate plan if solution #1 breaks down?**

4. **Developing and implementing the plan - Who will do what? When? How will communication across participants occur if needed?**

**WHO**

**WHAT**

**WHEN**

**Planning the evaluation - How will you know when the problem or concern is resolved?**
