

Kansas City, KS
September 18 & 19, 2000
Juliann Woods, David Lindeman, Shubha Kashinath

Training Outcomes

Participants will:

1. gain knowledge of family-guided routines based intervention approaches for young children and their careproviders;
2. gain strategies to identify and develop routines for teaching and learning; and,
3. identify methods for planning and implementing routines based interventions with careproviders.

September 18, 2000
