

Family-guided Routines Based Early Intervention

Shreveport, Louisiana

August 14, 2000

Juliann Woods, Ph.D., CCC-SLP

Lorna Mullis, Parent

Training Outcomes

Participants will:

1. gain knowledge of family-guided routines based intervention approaches for young children and their careproviders;
2. gain strategies to identify and develop routines for teaching and learning; and,
3. identify methods for planning routines based interventions with careproviders.
