Getting into the Routine

Dallas, TX
January 23 and 24, 2003
Juliann Woods and Lorna Mullis

Objectives

1. To increase strategies for enhancing the family-guided component of the child assessment and intervention process
2. Develop play routines, for child and careprovider, that support teaching and learning on identified outcomes
3. Increase knowledge of strategies that support careprovider competence
4. Increase flexibility in service delivery through use of primary provider model
