We’re looking forward to meeting you and your family!

Our Family Service Coordinator will join you to:

- meet your family
- listen to your concerns
- explain the program and your participation

If you choose to continue, our assessment team will:

- observe your child interacting with you
- share information about your child’s development
- answer questions

If your child is eligible and you want to participate, your team will:

- share information and resources important for your family
- problem solve strategies to help you help your child learn
- identify services to support your child’s development

You should plan to:
- Spend about _________ mins.
- Participate in an assessment of your child’s abilities.

Family Guided Routines Based Intervention is a project of Florida State University
