Family-guided Routines Based Early Intervention

Waupaca, WI
May 18, 2000
Juliann Woods Cripe, Ph.D.
Lorna Mullis, Parent

Training Outcomes

Participants will:
1. gain knowledge of family-guided routines based intervention approaches for young children and their careproviders;
2. gain strategies to identify and develop routines for teaching and learning; and,
3. identify methods for planning routines based interventions with careproviders.
